

GILLETTE CHILDREN'S- REHABILITATION THERAPIES MEDICAL EQUIPMENT
VENDOR RESOURCE LIST

The following vendors handle durable medical equipment. When selecting a vendor, we encourage families to consider many factors. These factors include who your insurance or third party payer specified, recommendations from other families, the vendor's knowledge of pediatrics, and how the vendor's service and payment policies fit with the family's needs and preferences. We do share our expectations, and relevant policies and procedures with the vendors on this list. We routinely add to this list other vendors used and recommended by Gillette Children's families. Please contact the Rehabilitation therapies site supervisor if you would like to recommend a vendor to add to this list. (651-634-1928).
